

# Acton Agua Dulce ARC - Net Script

Revised Jan 23, 2018

## 20:25 (8:25pm) – Pre Net Announcement

The Acton Agua Dulce Amateur Radio Club Net will begin at 8:30pm on 146.580 mhz. Any stations needing to make a call are invited to do so now. This is **[your call sign]**

## 20:30 (8:30pm) – Open the Net

QST, QST, QST.

This is **[KK6MTQ]**, **[name]** in **[location]** operating as Net Control, for the Acton Agua Dulce Amateur Radio Club net. This net meets Wednesday each week at 2030 hours on this frequency. The purpose of this net is to pass on important information from the monthly club meetings, to give each member the opportunity to operate and become familiar with their radio equipment, and to be prepared to serve the local community in times of disaster.

Any stations with EMERGENCY or PRIORITY TRAFFIC please call now?

### **[Pause and listen]**

This is a Directed Net. Please transmit only when called by Net Control unless you have emergency traffic. Member stations are asked to wait for acknowledgement by Net Control before sending your traffic.

The Acton Agua Dulce Amateur Radio Club manages this Net and Member Roll-Call will begin shortly. Visitor Check-Ins are encouraged and will be called for after member stations have been called. This net runs until approximately 20:45 hours this evening. At the conclusion of this directed net this frequency will be open for normal operations.

### **[Pause/reset]**

When called please provide your Call Sign phonetically, Name, and Location. Stations with traffic for the Net please indicate so when checking-in. If a member cannot reach net control and another member on the net can pick up the transmission, the member is asked to contact net control with his or her call sign and the message "relay". Net control will then acknowledge the relay and traffic can be relayed.

At this time Net Control is calling AADARC President, KJ6HDZ, Gary, for comments (SKIP IF KJ6HDZ not present for net)

### **[Wait for Gary to Finish]**

Thank you Gary.

At this time Net Control will conduct a roll call of the membership. Stations that do not acknowledge when called, or members not called, are requested to wait until the end of the roll call when Net Control will call for Late or Missed Check-Ins. Will the first member please check in now.

### **[Continue with request for check in until all participating members have acknowledged]**

This is Net Control calling for late or missed check-ins **[repeat until done]**

This is Net Control inviting **visitors to check-in**. Please give your full Call Sign with phonetics, First Name, and Location. First visitor come now. **[Listen]** Are there any other visitor check-ins? **[repeat until done]**

### **[Call stations with traffic for the net]**

This is Net Control calling for any late business for the net....

If no more business then say "nothing heard" move on to concluding the exercise

This is Net Control thanking all stations that participated in the net check tonight.

This is **[your call sign]**, operating as Net Control, closing the **AADARC's** directed Net at **20:\_\_\_** local time.

73's, This frequency is now open for normal operations.
