## Old Business

A list of items and tasks was provided by Mark and discussion was held regarding what we wanted to accomplish for Field Day this year. The list has been annotated with assignments and that list will be distributed before and at the next club meeting in June.

Ongoing signups for club presentations was discussed.

## New Business

Mark discussed having social gatherings over breakfast or dinner at local restaurants. This would be in lieu of a monthly club meeting. Mark will work on a calendar for the rest of 2022 with that in mind and present to the membership.

## Presentation

Ben provided an excellent presentation on 3D printing that included slides, and an actual 3D printer where Ben created a coat hook during the meeting. Ben covered the types of machines available and the various materials that can be used for printing. The presentation was very well received.

## Open Forum

Brian reported that his pico balloon launched at Quartz Fest is still up. Day 117 to be precise. It's traveling at 42K feet and has completed 10 laps around the world. It's currently flying in a loop over the pole, Russia, and Ukraine.

Brian said that he took part in an ARES Interop test that combined amateur radio, CAL OSHA, Coast Guard, Army MARS, and Navy MARS. He indicated that it was a different experience than a traditional ham only net.

## Meeting Adjourned

Brian made a motion to adjourn the meeting. Ben seconded. The motion was approved.

Meeting Adjourned at 20:00 hours.
