Old Business

- The recently completed Technician License class was reviewed. Comments included adding more meeting days to the class, planning the class around the availability of volunteer examiners. Eight students passed and three did not pass but will retake the test in Santa Clarita.

New Business

- Mark discussed adding the ability of paying member dues online using the club website. There were no exceptions to doing so.
- It was decided that the General Class License study group would be held in 2023 and not 2022. Brian will be looking into the availability of VE for the exam.
- The calendar for the remainder of 2022 was discussed. There will be a club meeting in November on the 17th and there will be a no host club breakfast on November 19. As in the past, there will be no club meeting in December.

Presentation

- Brian presented his Pico Balloon presentation and provided an overview of the Great Shakeout exercise held on October 20. He provided detail on how ARES supports the local hospitals with backup communications using Winlink on HF, VHF, and UHF.
