

AAD ARC Net Script

[18:55]

The Acton Agua Dulce Amateur Radio Club weekly net will start on this repeater at 7:00pm. Any stations needing to make a call are encouraged to do so now. This is YOUR CALL SIGN.

[19:00]

QST! QST! QST! This is KK6MTQ operating as net control for the Acton Agua Dulce Amateur Radio Club Tuesday evening net. My name is YOUR NAME and my call is YOUR CALL SIGN.

This is an open and informal net designed to practice radio skills, test equipment, and spread information of interest to all amateurs. Everyone is welcome and all are encouraged to share! Our only request is that all communications be directed through Net Control.

Are there any stations with emergency or priority traffic? Please call now.

Are there any relays for emergency or priority traffic? Please call now.

When checking in, please speak slowly, give your call sign using ITU phonetics, first name, general location, and whether you have traffic for the net.

Check ins are now open for Acton Agua Dulce Amateur Radio Club members. Visitors, please stand by, you will be called for shortly.

Member stations, please call now.

(log a few stations at a time)

This is KK6MTQ Net Control acknowledging _____

(read back the call signs captured and listen for corrections)

(request more check-ins and acknowledge them as you go)

We now invite visitors to check in.

(log a few stations at a time)

AAD ARC Net Script

This is KK6MTQ Net Control acknowledging _____
(list call signs captured and listen for corrections, read back the call signs captured, request more check-ins)

(read back the call signs captured and listen for corrections)

(request more visitor check-ins)

(Call stations with traffic and hand the net to them but maintain control).

Are there any late or missed members or visitors that would like to check-in?

Is there any additional traffic for the Net tonight?

(listen and handle traffic)

We want to thank all stations who participated tonight. We also want to thank the Antelope Valley Amateur Radio Club and the Acton Agua Dulce Amateur Radio Club for use of the Hauser Peak Repeater.

For more information on our club, or to attend our next club meeting, please visit us at AADARC.ORG

That's Alpha, Alpha, Delta, Alpha, Romeo, Charlie, DOT, org

All interested HAM operators are invited to attend a Net Check on 146.580 MHZ simplex immediately following this net.

This is KK6MTQ closing the Acton Agua Dulce Amateur Radio Club Tuesday evening net at _____ hrs and returning the repeater to normal operation.

73 and QSY to 146.580
